*Funeral Home Established in 1949*

Selecting a funeral home and crematory can be one of the most difficult decisions in life. Often, the selection of a funeral home and crematory is made without much thought as to price or quality. We hope to make this decision a little easier. We have prepared our General Price List to be easy to understand, yet as comprehensive as possible. It will give you an understanding of the total cost of a funeral or a cremation conducted through our funeral home. As always, a price list cannot provide the answers to all of your questions, so please feel free to call, or visit our website at [www.norwalkfuneral.com](http://www.norwalkfuneral.com).
